ORDER

Having reviewed defendant's response to the court's order on plaintiffs' motion to compel (Docket no. 275) concerning the last of the documents the court agreed to review *in camera* for privilege related purposes, the court finds that the redaction made to document GOOG-DOJ-AT-01139590 (the comment made on July 20, 2020 at 15:17:46) does appear to contain information that constitutes legal advice from defendant's in-house attorney concerning certain contract terms. That information falls within the attorney-client privilege and the court will not order its production to plaintiffs.

Entered this 3rd day of July, 2023.
